- Adjustable sensitivity – 800 / 1200 / 1600 dpi options available
- Auto Power Saving Management conserves battery power
- Ergonomic design and anti-slip coating for natural fit and comfort
- Back and forth thumb buttons for easy navigation

M300 series

Cordless Optical Mouse

The **M300** series mice are specially designed for mobile use. The size is slightly smaller compared to regular mice and the wireless connection makes life easier on the go. The thumb-keys make browsing the web easier and the sensitivity of the mouse can be adjusted with just one click.
